PROXY STATEMENT

Annual Meeting of Shareholders to be held Tuesday, May 18, 2021

GENERAL INFORMATION

This Proxy Statement is furnished to the shareholders of ICC Holdings, Inc., a Pennsylvania corporation (the “Company”), in connection with the solicitation, by the Board of Directors of the Company (“Board” or “Board of Directors”), of proxies to be used at the 2021 Annual Meeting of Shareholders (the “Annual Meeting”) to be held at 9:00 a.m. Central Daylight Time on Tuesday, May 18, 2021, and accessed online at www.proxydocs.com/ICCH.

The Company intends to mail the Notice Regarding the Availability of Proxy Materials for the Annual Meeting of ICC Holdings, Inc. on or about April 6, 2021. Information included in this Proxy Statement is as of April 6, 2021.

VOTING

Because many shareholders cannot attend the Annual Meeting in person, it is necessary that a large number of our voting shares be represented at the Annual Meeting by proxy to achieve a quorum. Pursuant to the Company’s bylaws, at least a majority of the outstanding voting shares must be present (in person or by proxy) at the Annual Meeting to conduct the meeting, which is known as a “quorum” of shares. Even if you expect to attend, it is important that you vote your shares in advance.

Whether you hold your shares directly as the shareholder of record or through a broker, trustee, or other nominee (“in street name”), you may vote in one of the following ways:

- *By Internet.* Shareholders may submit their proxy over the Internet by following the instructions provided on the proxy card. Shareholders will need to have the control number appearing on their proxy card available in order to submit their proxy over the Internet.
- *By Telephone.* Shareholders may submit their proxy by telephone, toll-free, by following the instructions provided on the proxy card. Shareholders will need to have the control number appearing on their proxy card available in order to submit their proxy by telephone.
- *By Mail.* Shareholders may submit their proxy by signing, dating, and returning the proxy card as promptly as possible in the envelope enclosed for that purpose.

Shareholders can save the Company expense by submitting their proxy by telephone or over the Internet. If you submit your proxy by telephone or over the Internet, you do not need to also submit a proxy card, although you may do so as one method of changing your vote as described below.

Each proxy will be voted in accordance with the shareholder’s instructions. If you return a signed proxy card without any voting instructions, your shares will be voted as recommended by the Board of Directors.

Revocation of Proxies

All proxies delivered by shareholders of record pursuant to this solicitation are revocable at any time prior to the meeting at the option of the shareholder (1) by giving written notice to the Corporate Secretary at the Annual Meeting, or (2) by timely delivery of a properly completed proxy, whether by proxy card or by Internet or telephone vote, bearing a later date. If your shares are held in “street name” (that is, through a broker, trustee, or other holder of record), you will receive a proxy card from your broker seeking instructions as to how your shares should be voted. You will need to follow those instructions in order to revoke your proxy prior to the meeting. All shares represented by valid, unrevoked proxies will be voted at the Annual Meeting.

Additional Information

Directors are elected by a plurality of votes cast. With respect to the election of directors, shareholders may vote in favor of all nominees, or withhold their votes as to all nominees, or withhold their votes as to specific nominees. Votes withheld and broker non-votes are deemed present at the meeting and thus will be counted for quorum purposes. Votes withheld from a particular nominee and broker non-votes will not constitute or be counted as votes cast for such nominee. The outcome of the votes to ratify the selection of Johnson Lambert, LLP as the Company's independent registered public accounting firm for the current fiscal year ("Proposal Two") requires the favorable vote of a majority of the votes cast on those matters. With respect to Proposal Two, shareholders may vote "For," "Against" or "Abstain". Abstentions are deemed present at the meeting, and thus will be counted for quorum purposes, but will not constitute or be counted as votes cast, and will not affect the outcome on, Proposal Two.

Brokers who hold shares for the accounts of their clients in "street name" may vote such shares either as directed by their clients or at their own discretion if permitted by the rules of the New York Stock Exchange and other organizations of which they are members. If an executed proxy is returned by a broker on behalf of its client that indicates the broker does not have discretionary authority as to certain shares to vote on one or more matters (a "broker non-vote"), such shares will be considered present at the Annual Meeting for purposes of determining a quorum but are not considered entitled to vote on that matter. If your broker holds your shares "in street name" and you do not instruct your broker how to vote, your broker will have discretion to vote your shares on routine matters, such as Proposal Two, the ratification of the selection of the Company's independent public accounting firm.

Your broker will not, however, have discretion to vote on non-routine matters absent direction from you. Among other matters, brokers are not entitled to use their discretion to vote uninstructed proxies in director elections. As a result, your broker will not be able to vote your shares on Proposal One without your direction. **Therefore, it is important that you provide your broker with voting instructions on all proposals.** If your shares are held by your broker "in street name," you will receive a voting instruction form from your broker or the broker's agent asking you how your shares should be voted. Please complete the form and return it as instructed by the broker or agent. You may not vote shares held in "street name" at the Annual Meeting unless you obtain a legal proxy from your broker or holder of record.

Virtual Shareholder Meeting

Shareholders as of the record date may attend, vote, and submit questions virtually at our Annual Meeting by logging in to www.proxydocs.com/ICCH to register and receive instructions on how to attend the Annual Meeting. To log in, shareholders (or their authorized representatives) will need the control number provided on their proxy card, voting instruction form or this notice. If you are not a shareholder or do not have a control number, you may still access the meeting as a guest, but you will not be able to participate.

In light of the ongoing COVID-19 pandemic, for the safety of all of our people, including our shareholders, and considering recent federal, state, and local guidance that has been issued, we have determined that the 2021 Annual Meeting will be held in a virtual meeting format only, with no physical in-person meeting.

At our virtual Annual Meeting, shareholders will be able to attend, vote, and submit questions virtually. Whether or not you plan to attend the Annual Meeting, we urge you to vote and submit your proxy in advance of the meeting by one of the methods described in these proxy materials. Additional information can also be found at www.proxydocs.com/ICCH.

SHAREHOLDERS ENTITLED TO VOTE

Shareholders of record at the close of business on March 10, 2021, the record date, shall be entitled to vote at the 2020 Annual Meeting. As of the record date, the Company had 3,296,555 shares of Common Stock outstanding and entitled to vote. Common share ownership entitles the holder to one vote per share upon each matter to be voted at the 2020 Annual Meeting.

COST OF PROXY SOLICITATION

The solicitation of proxies is being made by the Company, and the Company will bear the cost of solicitation. In addition to the use of the mail, proxies may be solicited in person or by telephone, facsimile, or other electronic means, by directors, officers, or employees of the Company. No additional compensation will be paid to such persons for their services. In accordance with the regulations of the SEC and the NASDAQ Stock Market LLC ("NASDAQ"), the Company will reimburse banks, brokerage firms, investment advisors and other custodians, nominees, fiduciaries, and service bureaus for their reasonable out-of-pocket expenses for forwarding soliciting material to beneficial owners of the Company's common stock and obtaining their proxies or voting instructions.

PROPOSAL ONE: ELECTION OF DIRECTORS

GENERAL

At this year's Annual Meeting, three (3) Class I directors are to be elected. Unless otherwise instructed, the shares represented by a signed proxy card will be voted for the election of the three nominees named below. The nominees for election as Class I directors who receive the highest number of votes cast, in person or by proxy, at the meeting will be elected as Class I directors.

STAGGERED BOARD

Our articles of incorporation and bylaws provide for a classified Board of Directors consisting of three classes of directors, each serving staggered three-year terms. Our directors are divided among the three classes as follows:

- Class I directors, whose term will expire at the Annual Meeting of Shareholders to be held in fiscal year 2021, consists of Messrs. Dingman, Klockau, and Pepping;
- Class II directors, whose term will expire at the Annual Meeting of Shareholders to be held in fiscal year 2022, consists of Messrs. Clinton and Sutherland, and Ms. Schmitt; and
- Class III directors, whose term will expire at the Annual Meeting of Shareholders to be held in fiscal year 2023, consists of Messrs. Heriford, Portes, and Schwab.

On March 8, 2021, Scott T. Burgess, one of our directors, passed away.

Directors in a particular class will be elected for three-year terms at the Annual Meeting of Shareholders in the year in which their terms expire. As a result, only one class of directors will be elected at each annual meeting of our shareholders, with the other classes continuing for the remainder of their respective three-year terms. Each director's term continues until the election and qualification of his/her successor, or his/her earlier death, resignation, or removal.

NOMINEES

Messrs. James R. Dingman, John R. Klockau, and Gerald J. Pepping are standing for election. Each is nominated to serve for a three-year term expiring in 2024.

The Board of Directors has no reason to believe that any nominee will be unable to serve if elected. In the event that any nominee shall become unavailable for election, the shares represented by a proxy will be voted for the election of a substitute nominee selected by the persons appointed as proxies and recommended by the Board, unless the Board should determine to reduce the number of directors pursuant to the Company's bylaws or allow the vacancy to stay open until a replacement is designated by the Board.

The Board of Directors recommends that the shareholders vote "FOR" election of all three nominees listed above.

PROPOSAL TWO: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Johnson Lambert, LLP (“Johnson Lambert”) as the Company’s independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2020, and the Board is asking shareholders to ratify that selection. Although current law, rules and regulations, as well as the Charter of the Audit Committee, require our independent auditor to be appointed, retained and supervised by the Audit Committee, the Board considers the selection of an independent auditor to be an important matter of shareholder concern and considers a proposal for shareholders to ratify such selection to be an important opportunity for shareholders to provide direct feedback to the Board on an important issue of corporate governance. If the appointment of Johnson Lambert is not ratified by shareholders, the Audit Committee will take such action, if any, with respect to the appointment of the independent auditor as the Audit Committee deems appropriate, which may include continued retention of such audit firm. Even if the selection is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

Representatives of Johnson Lambert will be available virtually during the Annual Meeting with the opportunity to make a statement, if they desire, and will be available to respond to appropriate questions from the shareholders.

The affirmative vote of the holders of at least a majority of the shares of common stock of the Company present and entitled to vote at the Annual Meeting is required for adoption of this proposal.

The Board of Directors recommends that the shareholders vote “FOR” Proposal Two and the ratification of the selection of Johnson Lambert, LLP as independent registered public accounting firm of the Company for the current fiscal year.

CORPORATE GOVERNANCE AND BOARD MATTERS

CORPORATE GOVERNANCE PRINCIPLES

The Company is committed to having sound corporate governance principles that are designed to ensure that the Board exercises reasonable business judgment in discharging its obligations to the Company and its shareholders. Corporate governance practices also help to ensure that full and transparent disclosures are made to the Company's shareholders and the SEC.

DIRECTOR INDEPENDENCE

The Board is required to affirmatively determine the independence of each director and to disclose such determination in the proxy statement for each Annual Meeting of Shareholders of the Company. In order to determine which of our directors are independent, we have elected to utilize the standards for independence established under the NASDAQ listing standards. Under this standard, an independent director is a person other than an executive officer or employee of ICC or any other individual having a relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The following persons will not be considered independent:

- a director who is, or at any time during the past three years was, employed by us;
- a director who accepted or who has a spouse, parent, child or sibling, whether by blood, marriage or adoption, or any other person who resides in his home, hereinafter referred to as a "Family Member", who accepted any compensation from us in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence (other than compensation for board or board committee service; compensation paid to a Family Member who is an employee (other than an executive officer) of Illinois Casualty Company; or benefits under a tax-qualified retirement plan, or non-discretionary compensation);
- a director who is a Family Member of an individual who is, or at any time during the past three years was, employed by us as an executive officer;
- a director who is, or has a Family Member who is, a partner in, or a controlling shareholder or an executive officer of, any organization to which we made, or from which we received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more (excluding payments arising solely from investments in our securities; or payments under non-discretionary charitable contribution matching programs);
- a director of ICCH who is, or has a Family Member who is, employed as an executive officer of another entity where at any time during the past three (3) years any of our executive officers served on the compensation committee of such other entity; or
- a director who is, or has a Family Member who is, a current partner of our outside auditor, or was a partner or employee of the company's outside auditor who worked on our audit at any time during any of the past three (3) years.

Under these criteria, all directors except Arron K. Sutherland are independent. Only independent directors serve on the Company's Audit Committee, Nominating and Governance Committee, and Compensation Committee.

DIRECTOR NOMINATION POLICY

The Nominating and Governance Committee of the Company considers director candidates based upon a number of qualifications, qualities, skills, and other expertise required to be a director.

The Nominating and Governance Committee conducts an annual assessment of the composition of the Board and its committees. The Committee reviews the appropriate skills and characteristics required of Board members with a view toward establishing a diversity of backgrounds in areas of core competencies including experience in the following: business development, insurance industry, senior management, operational, technical, compensation and finance.

The Nominating and Corporate Governance Committee will consider qualified director candidates as properly nominated by shareholders as further set forth under SHAREHOLDER PROPOSALS on page 29. In addition, the Nominating and Governance Committee will consider shareholder recommendations for director candidates, but the Nominating and Governance Committee has no obligation to recommend such candidates. Assuming that appropriate biographical and background material (including qualifications) is provided for candidates recommended by shareholders, the Nominating and Governance Committee will evaluate those candidates by following substantially the same process and applying substantially the same criteria as for candidates recommended by other sources.

CODE OF CONDUCT

The Company has adopted a Code of Conduct, which is designed to help directors, officers and employees maintain ethical behavior and resolve ethical issues in an increasingly complex global business environment. The Code of Conduct applies to all directors, officers, and employees, including the Chief Executive Officer, the Chief Financial Officer, the Chief Legal Officer, and any other employee with any responsibility for the preparation and filing of documents with the SEC. The Code of Conduct covers topics including, but not limited to, ethical behavior, conflicts of interest, corporate opportunities, confidentiality of information and compliance with laws and regulations. A copy of our Code of Conduct is available at the Company’s website under the Governance section at <http://ir.ICCHoldingsinc.com>. Any amendments to the Code of Conduct will be posted on the website, and any waiver that applies to a director or executive officer will be disclosed in accordance with the rules of the SEC and NASDAQ.

SHAREHOLDER AND INTERESTED PARTIES COMMUNICATIONS

Any shareholder may communicate directly with the Board of Directors, or with any one or more individual members of the Board. A shareholder wishing to do so, should address the communication to “Board of Directors” or to one or more individual members of the Board and submit the communication to the Company at the address of the Company noted on the first page of this Notice of Meeting and Proxy Statement. All such communications received by the Company and addressed to the Board of Directors will be forwarded to the Chair of the Board, or to the individual member or members of the Board, if addressed to them.

All of these communications will be reviewed by our Secretary to filter out communications that are not appropriate, specifically, spam or communications offering to buy or sell products or services. The Secretary will forward all remaining communications to the appropriate directors.

COMPANY POLICY ON RELATED PARTY TRANSACTIONS

The Company recognizes that related party transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof) and therefore the Audit Committee will review and approve all related party transactions and transactions raising potential conflicts of interest.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Mr. Kevin Clinton is a director of the Company and owns more than 10% of the Company's outstanding shares of common stock.

In connection with each Board meeting, the independent directors meet in an executive session with no members of management present.

DIRECTOR COMPENSATION

The following table summarizes the total compensation paid to our non-employee directors for the fiscal year ended December 31, 2020.

Director	Fees Earned or Paid in Cash (\$)	All Other Compensation	Total (\$)
Gerald J. Pepping	35,500	-	35,500
Scott T. Burgess	28,000	-	28,000
R. Kevin Clinton	30,000	-	30,000
James R. Dingman	30,000	-	30,000
Joel K. Heriford	30,000	-	30,000
John R. Klockau	28,000	10,350	38,350
Daniel H. Portes	28,000	-	28,000
Christine C. Schmitt	33,000	-	33,000
Mark J. Schwab	28,000	-	28,000

Under the current structure, each non-employee director received an annual cash retainer for service of \$28,000. Mr. Pepping received \$7,500 for his work as Chair of the Board, and Ms. Schmitt received \$5,000 for her work as Audit Committee Chair. Mr. Clinton, Mr. Dingman, and Mr. Heriford each received an additional \$2,000 for their work on the Audit Committee. John Klockau received an additional \$10,350 in 2020 as 1099 compensation for claims consulting conducted for ICC.

A director who is also an employee, such as Mr. Sutherland, does not and will not receive any compensation for his service as a director. Directors have been and will continue to be reimbursed for travel, food, lodging and other expenses directly related to their activities as directors. Directors are also entitled to protection provided by the indemnification provisions in our bylaws, as well as the protection provided by D & O liability insurance provided by the Company.

BOARD LEADERSHIP STRUCTURE

The Company maintains a policy of separating the roles of Chair of the Board and Chief Executive Officer. Gerald J. Pepping currently serves as Chair of the Board of the Company, having been first elected to that position by the Company's Board at a meeting held November 17, 2009. The Chair of the Board is "independent" under the standards established by the corporate governance rules of the NASDAQ Stock Market (the "NASDAQ") and the rules and regulations of the SEC.

The Board of Directors believes that separation of the positions of Chair of the Board and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, the Board believes that having an independent Chair creates an environment that is more conducive to objective evaluation and oversight of management's performance, increased management accountability, and improved ability of the Board to monitor whether management's actions are in the best interests of the Company and its stockholders. As a result, the Board of Directors has concluded that having an independent Chair enhances the effectiveness of the Board as a whole and is an appropriate leadership structure for the Company.

AUDIT COMMITTEE REPORT

The following report by the Audit Committee (the "Committee") of the Company's Board of Directors is required by the rules of the SEC to be included in this Proxy Statement and shall not be considered incorporated by reference in other filings by the Company with the SEC.

The Committee is composed of four independent directors and operates under a written charter adopted by the Board of Directors.

The primary role of the Committee is to assist the Board of Directors in its oversight of (a) the Company's corporate accounting and reporting practices, (b) the quality and integrity of the Company's financial statements, (c) the performance of the Company's system of internal accounting and financial controls, (d) the Company's compliance with related legal and regulatory requirements, (e) the qualifications, independence and performance of the independent registered public accounting firm ("Auditor"), and (f) the performance of the Company's internal audit function. In addition to those primary roles, the Committee also performs other roles and functions as outlined in its charter, including preliminary review of earnings releases and other activities. The Committee also acts as the audit committee for the Company's insurance company subsidiary. A more detailed description of the Committee's roles, functions and activities is set forth in the description of Board committees elsewhere in this Proxy Statement and in the Committee's charter, which is available on our investor relations website at <http://ir.ICCHoldingsinc.com/>.

The Board of Directors has determined that each of the members of the Audit Committee qualifies as "independent" within the meaning of the NASDAQ Listing Standards and the rules of the SEC. The Board of Directors has further determined that Committee Chair Christine C. Schmitt is an "audit committee financial expert" within the meaning of the SEC rules.

The Committee reviews the internal audit function of the Company, including the independence and authority of its reporting obligations, the proposed audit plans for the coming year and the coordination of such plans with the Auditor. The Company's Internal Controls Analyst provides the internal audit function and has an indirect reporting line to the Audit Committee and a direct reporting line to the CEO for internal control reporting purposes. The Internal Controls Analyst provides objective assurance services regarding the effectiveness of management's internal controls and procedures and consulting services designed to add value and improve the organization's operations. The CEO, with the assistance of the Internal Controls Analyst, presents the Company's annual risk-based audit plan to the Audit Committee and periodically reports results of internal audit activities.

The Committee appoints and annually evaluates the performance of the Company's Auditor and aids the members of the Board of Directors in fulfilling their oversight functions of the financial reporting practices and financial statements of the Company. It is not the duty of the Committee, however, to plan or conduct audits or to determine whether the Company's financial statements are complete and accurate and are in accordance with U.S. generally accepted accounting principles. The Company's Auditor is responsible for planning and conducting audits of the financial statements and internal controls over financial reporting; the Company's management is responsible for preparing the financial statements, designing and assessing the effectiveness of internal control over financial reporting, and determining whether the Company's financial statements are complete and accurate and in accordance with U.S. generally accepted accounting principles and applicable laws and regulations.

The Committee contracts with and sets the fees paid to the independent registered public accounting firm. The fees for audit services for the past two fiscal years are set forth on page 18.

Audit fees relate to professional services rendered for the audit of consolidated financial statements of the Company, audits of the statutory financial statements of certain subsidiaries, review of quarterly consolidated financial statements and assistance with review of documents filed with the SEC.

In our fiscal year ended December 31, 2020, there were no other professional services provided by Johnson Lambert other than those listed in the table on page 18, that would have required our Audit Committee to consider their compatibility with maintaining the independence.

The Committee received reports and reviewed and discussed the audited financial statements with management and the Auditor. The Committee also discussed with the Auditor matters required to be discussed by PCAOB Auditing Standards No.16, Communications with Audit Committees. The Committee received from the Company's Auditor the written disclosures and letter required by the applicable PCAOB requirements for independent registered public accounting firm's communications with the Audit Committee concerning auditor independence. The Committee discussed with the Auditor that firm's independence and any relationships that may impact that firm's objectivity and independence including audit and non-audit fees. Additionally, the Committee promotes the Auditor's independence by ensuring that the lines of communication are always open and constant between the Auditor and the Committee.

Based on the Committee's discussion with and review of reports from management, the Company's Internal Control Analyst, the Company's Auditor, as well as the Committee's reliance on the representation of management that the Company's consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles, the Committee recommended to the Board of Directors that the audited financial statements of the Company be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020, as filed with the SEC.

The foregoing report has been approved by all members of the Audit Committee.

For 2020, our executive officers were compensated consistent with the design of the programs approved by the Board of Directors in 2020. Specifically, they received annual base salaries and were eligible to receive a discretionary annual bonus up to a maximum percentage of their base salaries, based on the achievement of specific company and individual performance goals; a maximum of 35% of base salary for the CEO and 30% of base salary for the remaining executive officers, respectively. The CEO's performance bonus structure includes an opportunity for earning up to an additional 15% of base salary for achieving "stretch goals." As part of its evaluation process, the Compensation Committee surveys the entire Board annually concerning the CEO's performance along with the performance of the Company. The Summary Compensation Table on page 32 provides a summary of compensation for the Chief Executive Officer as well as the next two highly compensated executive officers for 2020 and 2019.

The Executive Discretionary Performance Bonus Program, including a long-term incentive component, was approved by the Board of Directors on March 20, 2017. The former profit sharing, and individual bonus programs were replaced with a single, discretionary, performance bonus program. Similar to the profit-sharing program, the criteria for measuring performance includes key components of insurance company operations. Company and individual goals are combined, with heavier weighting on Company goals. Two bonus levels were established: CEO and Vice President. Company and individual goals are set annually, with consideration of current market conditions. Performance measures and thresholds are reviewed annually to ensure consistency with the business plan.

This report provides an overview of our 2020 executive compensation program.

WHAT GUIDES OUR NEW EXECUTIVE COMPENSATION PROGRAM

The following summarizes the guidelines, decision-making process, and structure of our executive compensation program effective January 1, 2020.

Our Compensation Philosophy and Guiding Principles

The philosophy underlying our executive compensation program is to attract, retain and motivate strong leadership to drive Illinois Casualty Company's ("ICC's") business strategy and goals. Our executive compensation program is grounded in the following guiding principles:

- Pay for performance: A portion of an executive's total compensation should be variable and dependent upon the attainment of certain specific and measurable annual and/or long-term business performance objectives.
- Competitiveness: Our initial goal is to target total direct compensation opportunities for the CEO at the 50th percentile (or above with requisite performance). We will target between the market 25th percentile and the market median (or above with requisite performance) for our other executives to ensure that compensation is at a level that is appropriate relative to that being offered to individuals holding comparable positions at other companies with which we compete for business and leadership talent. As we reach our goals of profitable growth, we will re-evaluate our competitiveness and may decide to pay above median range.
- Shareholder alignment: Executives should be compensated through pay elements (base salaries, annual- and long-term incentives) designed to create long-term value for our shareholders, as well as foster a culture of ownership.

The Role of the Compensation Committee

The primary oversight of the Company's executive compensation program rests with the Compensation Committee of the Board of Directors ("the Compensation Committee"). The Compensation Committee is comprised entirely of independent directors. It is the responsibility of the Compensation Committee to determine whether, in its judgement, our executive compensation program, practices and policies are reasonable and appropriate, reflect our compensation philosophy and effectively serve in the best interests of our shareholders and our Company.

The Role of the Chief Executive Officer

The Compensation Committee makes all decisions about the compensation of our executive officers. The Chief Executive Officer provides the Compensation Committee with an assessment of the performance of the executive officers other than himself and compensation recommendations for the executive officers other than himself. He does not play any role with respect to any matter impacting his own compensation.

The Role of the Independent Compensation Consultant

The Compensation Committee periodically engages consultants to independently review our executive compensation program, practices, and policies. We did not engage an outside consultant in 2020. The Chief Human Resources Officer conducted market studies for the Committee to consider in its decision-making process. The information was used to assess and review our executive compensation levels and structure as well as evaluate the performance-based incentive plans it had established in 2017 for executive officers.

The Role of Competitive Positioning

The Compensation Committee, with the support of the Chief Human Resources Officer, annually reviews salary levels relative to the compensation of executive officers of similarly sized property and casualty insurance companies. In these reviews, the Compensation Committee primarily relies on publicly available survey data, as there are few similarly sized publicly traded property and casualty insurance companies which can be used as comparators for executive compensation benchmarking purposes; however, peer company data is used as supplemental reference information by the Committee.

For the purpose of competitive positioning, in 2019 the Compensation Committee evaluated and established a revised peer group that it determined better aligns with the insurance Company's asset size, premium, and true market competitors. The peer group is a blend of both publicly traded and mutual insurance companies. This peer information was submitted to ISS Proxy in December of 2019 for the 2020 Proxy and includes Badger Mutual Insurance Company, Capital Indemnity Corporation, Conifer Holdings, Inc., Founders Insurance, Hospitality Mutual, Midwest Family, Society Insurance, Specialty Risk of America, US Insurance, and Wilson Mutual. Each of these peer companies competes within the property and casualty industry.

Retention of the President/CEO is of primary importance to the Compensation Committee. We continue to target the 50th percentile of the market or above for the CEO and between the 25th and 50th for other executives. Considering our current size and its impact on our ability to generate results similar to larger, publicly traded companies, the Compensation Committee acknowledges that the compensation structure will be more heavily weighted on base salary as opposed to variable pay. Until such time that the Company grows significantly, we feel it is prudent to take a conservative approach towards executive compensation.

OVERVIEW OF EXECUTIVE COMPENSATION

OBJECTIVES

The objective of the Company's executive compensation program is to provide a competitive total executive compensation program linked to Company performance that will attract, retain, and motivate talented executives critical to the Company's long-term success.

ELEMENTS OF COMPANY EXECUTIVE COMPENSATION

Our compensation philosophy is supported by the following principal compensation elements:

- (a) **Base salary:** Base salaries are based on a blend of factors, including market data for the role, individual contributions and experience, performance, and internal equity.
- (b) **Annual incentives:** Annual incentive opportunities focus executives on achieving annual financial and strategic goals that drive long-term shareholder value. Award opportunities are based on an executive's role within the Company. Performance is assessed relative to a combination of Company and individual performance goals. Pre-determined Company performance measures and thresholds, target and maximum performance levels are approved at the beginning of the calendar year by the Compensation Committee based on ICC's annual business plan and consistent with market practice.
- (c) **Long-term incentives:** Long-term incentives have been designed to motivate executives to execute on longer-term financial and strategic growth goals that drive shareholder value creation and support the Company's retention strategy. The criteria used to determine the awards is consistent with the individual and Company performance targets established in our discretionary executive bonus program, contemplating a three-year performance cycle relative to market and Company performance targets, and are based on a percentage of salary. In April 2020, executives were granted long-term incentive award in the form of Restricted Stock Units (RSUs). Accordingly, Mr. Sutherland received 7,200 RSUs, Mr. Schmeichel received 2,442 RSUs, and Mr. Smith received 2,279 RSUs, respectively. The awards were recommended by the Compensation Committee and approved by the Board of Directors on March 10, 2020. The awards will vest over a three-year period.

Fiscal 2020 Payout under Executive Discretionary Performance Bonus Program

The Compensation Committee considered the following targets and weighting (as a percentage of base salary), based on Statutory Accounting results of Illinois Casualty Company, when establishing potential awards for 2020. Annual targets and weighting were approved by the Board of Directors on March 10, 2020. As set forth in the discretionary program, a combined ratio over 100 would yield a negative impact on the bonus; -2% for every point over 100. Further, if Risk Based Capital erodes, there would not be a payout for this category.

In recognition of the COVID-19 pandemic's impact on the food and beverage industry, and the Company's resulting premium results, the CEO and the other Named Executive Officers did not receive bonuses for individual performance measures or for meeting or exceeding any of the targets below. At the recommendation of the Compensation Committee, the Board approved a 3.0% bonus for the CEO and the other members of the Executive team on March 2, 2021, the same profit-sharing cash bonus that was awarded to all employees of Illinois Casualty Company.

Long-Term Incentives

Our Board of Directors adopted a stock-based incentive plan that was submitted to, and approved by, our shareholders in 2017. Under this plan, we may award participants restricted shares of our common stock, restricted stock units denominated in shares of our common stock, or options to purchase shares of our common stock. Restricted stock and restricted stock unit awards will be made at no cost to the participants. Restricted stock units are payable in shares of common stock or in cash in the discretion of the compensation committee. The number of shares of common stock that may be issued to any one participant pursuant to restricted stock and restricted stock unit awards (to the extent that such restricted stock unit awards are not paid in cash) or upon exercise of stock option awards under the stock-based incentive plan may not exceed 70,000 shares and 28,000 shares during any one-year period, respectively.

Based upon the results set forth above, we set forth the amounts paid to our named executive officers for 2020 performance under the Executive Discretionary Performance Bonus Program in the Summary Compensation Table.

Other Benefits and Perquisites

Our executive officers participate in the same broad-based benefit programs that are generally available to all other employees, including health, dental, disability and life insurance programs, a Company match on contributions to the 401(k) plan, and participation in the Employee Stock Ownership Plan (“ESOP”) implemented in 2017. The Company also provides nominal perquisites and supplemental benefits such as supplemental insurance benefits to several of its executive officers, based on business needs.

In November 2012, we entered into a deferred compensation agreement with Mr. Sutherland. The agreement requires Illinois Casualty to make payments to Mr. Sutherland beginning at retirement, which is set at age 62. In the event of separation of service without cause prior to age 62, benefits under this agreement vested 25% in November 2017, 50% in November 2022, 75% in November 2027, and 100% on January 1, 2032. In the event of Mr. Sutherland’s death prior to retirement, benefits become fully vested and are payable to his beneficiaries. Using a discount rate of 4.95%, the fully vested obligation under the agreement would total approximately \$1,689,467 on January 1, 2032. As of December 31, 2020, the accrued liability related to this agreement totaled \$347,987. On March 18, 2021, the parties entered into a new deferred compensation agreement to replace this arrangement.

OTHER PRACTICES AND POLICIES

Tax and Accounting Matters

Prior to its amendment by the Tax Cuts and Jobs Act (the “Tax Act”), which was enacted December 22, 2017, Section 162(m) of the Internal Revenue Code of 1986, as amended (“Section 162(m)”), disallowed a tax deduction to public companies for compensation paid in excess of \$1 million to “covered employees” under Section 162(m) (generally, such company’s chief executive officer and its three other highest paid executive officers other than its chief financial officer). Prior to this amendment, there was an exception to this \$1 million limitation for performance-based compensation if certain requirements were met. Historically, awards to these covered individuals under our annual bonus plan and in the form of performance-based equity grants were intended to satisfy the requirements for qualifying as performance-based compensation under Section 162(m).

The Tax Act generally amended Section 162(m) to eliminate the exception for performance-based compensation, effective for taxable years following December 31, 2017. The \$1 million compensation limit was also expanded to apply to a public company’s chief financial officer and apply to certain individuals who were covered employees in years other than the then-current taxable year. Although certain transition relief may apply with respect to compensation paid pursuant to certain contracts in effect as of November 2, 2017, ambiguities in the Tax Act prevent the Compensation Committee from being able to definitively determine what compensation, if any, payable to the covered employees in excess of \$1 million will be deductible in future years. Interpretations of and changes in applicable tax laws and regulations, as well as other factors beyond the control of the Compensation Committee, can affect deductibility of compensation, and there can be no assurance that compensation paid to our executive officers who are covered by Section 162(m) will be deductible. As in prior years, the Compensation Committee will continue to consider the tax and accounting implications (including with respect to the expected lack of deductibility under the revised Section 162(m)) when making compensation decisions but reserves its right to make compensation decisions based on other factors as well if the Compensation Committee determines it is in our best interests to do so. Further, considering the elimination of the exception for performance-based compensation, the Compensation Committee may determine to make changes or amendments to its existing compensation programs in order to revise aspects of our programs that were initially designed to comply with Section 162(m) but that may no longer serve as an appropriate incentive measure for our executive officers.

We also operate our executive compensation program with the intention of complying with Section 409A of the Internal Revenue Code of 1986.

Additionally, in the event that the Company or ICC is sold or merged with another entity during the term of Mr. Sutherland's employment and, as a result of that sale or merger, his employment is terminated, Mr. Sutherland will also receive a lump sum payment equal to twenty-four months of base salary payable within thirty days following termination of employment.

For purposes of Mr. Sutherland's employment agreement, (a) Cause shall mean (i) his material breach of his employment agreement, (ii) his gross negligence in the performance or non-performance of any of his material duties or responsibilities under his employment agreement, (iii) the refusal of Mr. Sutherland to implement or adhere to policies or directives of ICCH's Board of Directors, (iv) his dishonesty, fraud or willful misconduct with respect to, or disparagement of, the business or affairs of ICC, (v) conduct of a criminal nature or involving moral turpitude (as such term is defined in his employment agreement) under the provisions of any federal, state or local laws or ordinance or transgression which may have an adverse impact on ICC's reputation and standing in the community (as determined by ICC in good faith and fair dealing), and/or (vi) his absence from work for five consecutive days for any reason other than vacation, approved leave of absence (such approval not to be unreasonably withheld) or disability or illness pursuant to ICC policy or law; (b) Good Reason shall mean ICC materially breaches the provisions Mr. Sutherland's employment agreement and he provides at least twenty days prior written notice to ICC of the existence of such breach and his intent to terminate his employment agreement; however, no such termination shall be effective if such breach is cured during such period; (c) Change in Control shall mean the occurrence of any of the following: (i) a merger, consolidation, or division involving ICC and/or the Company, (ii) a sale, exchange, transfer, or other disposition of substantially all of the assets of ICC and/or the Company; (iii) a "person" or "group" (each within the meaning of Section 13(d) of the Exchange Act) becomes the "beneficial owner" (within the meaning of Section 13(d) of the Exchange Act) of fifty percent (50%) or more of the outstanding shares of our common stock and/or ICCH's common stock; or (iv) any other change in control similar in effect to any of the foregoing and specifically designated in writing as a "Change in Control" by the Board of Directors of ICCH and/or the Company; and (d) Change in Control Good Reason shall mean the occurrence of the following at any time during the term of Mr. Sutherland's employment agreement: (i) within six months prior to, or one year after, a Change in Control, ICC terminates his employment (other than for Cause), or (ii) within one year after such Change in Control any of the following occur, if taken without Mr. Sutherland's express written consent: (A) a material diminution in his authority, duties or other terms or conditions of employment as the same exist on the date of the Change in Control; (B) any reassignment of Mr. Sutherland to a location greater than one hundred seventy-five miles from the location of his office on the date of the Change in Control, unless such new location is closer his primary residence than the location of the Change in Control; (C) any material diminution in his base salary; (D) any failure to provide Mr. Sutherland with any benefits enjoyed by him under any of the Company' or ICC's retirement, health, life, disability, or other material employee plans in which Mr. Sutherland participated at the time of the Change in Control, or the taking of any action that would materially reduce any of such benefits in effect at the time of the Change in Control except for any reductions in benefits or other actions resulting from change to or reductions in benefits applicable to employee's generally; or (E) any other material breach of his employment agreement.

In October 2016, we entered into change in control agreements with each of Messrs. Smith, and Schmeichel, which provides for severance benefits upon the executive's termination of employment in connection with a change in control. The definition of change in control is the same as contained in Mr. Sutherland's employment agreement. Each change in control agreement is for a term ending on December 31, 2020, that is automatically renewed for an additional one-year term thereafter unless either party gives their respective notice of intent not to renew at least sixty days prior to January 1st of the subsequent year. Each change in control agreement also provides that the executive may not compete with our business or solicit any of our customers or employees for one year following the termination of such executive's employment for any reason and during the term of the change in control agreement.

For purposes of the change in control agreement, (a) cause shall mean (i) the executive's material breach of their respective change in control agreement or any other agreement with the Company or ICC, as applicable, to which such executive is a party, (ii) the executive's material failure to adhere to any written policy of the Company or ICC generally applicable to their respective employees if such executive has been given thirty days written notice of such failure and a reasonable opportunity to comply with such policy or cure such executive's failure to comply; (iii) the executive's appropriation or attempted appropriation of a business opportunity of the Company or ICC, including attempting to secure or securing any business or personal profit in connection with any transaction entered into on behalf of the Company or ICC, as applicable; (iv) the executive's misappropriation or attempted misappropriation of any of the funds or property (including any intellectual property) of the Company or ICC; (v) the executive's conviction of, or the entering of a guilty plea or plea of no contest with respect to, a felony or the equivalent thereof involving dishonesty or breach of trust and the penalty for such offense could be imprisonment for more than one year; or (vi) the executive's conviction of an offense involving moral turpitude (as such term is defined in the change in control agreement) under the provisions of any federal, state or local laws or ordinances, or such executive's use of alcohol, narcotics or illegal drugs to such an extent that will cause a material detrimental effect on the Company or ICC; and good reason shall mean the occurrence of a change in control and the following at any time during the term of the change in control agreement: (i) within six months prior to, or one year after, a Change in Control, the Company or ICC terminates the executive's employment (other than for Cause), or (ii) any other material breach of the executive's change in control agreement.

If a good reason occurs, the executive has ninety days thereafter to notify the Company and ICC of such occurrence. If the Company and/or ICC, as applicable, fail to cure such situation within thirty days after such notice, the executive is entitled to, within thirty days from the later of the date of termination of employment or delivery of the notice of termination, a lump sum cash payment equal to sum of (a) one times the executive's base salary in effect as of the delivery date of the notice of termination and (b) one times

the average cash bonus paid to the such executive within the current calendar year and two calendar years preceding the year in which the notice of termination is delivered. BOARD'S ROLE IN RISK OVERSIGHT

The Board's risk oversight is accomplished both at the full Board level and through its committee structure. The full Board discusses and considers risk management issues at each of its meetings. The Board will adjust its practices with respect to risk management oversight when it determines it needs to do so and will involve itself in particular areas or business circumstances where its proper exercise of oversight demands it. The Board's role in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the Company's risk exposure, and the Board and its committees providing oversight in connection with these efforts.

The individual committee responsibilities with respect to risk oversight are included in their respective Charters. The Enterprise Risk Management Committee consists of Messrs. Burgess (Committee Chair), Clinton, Portes, Schwab, and Sutherland. The purpose of the Enterprise Risk Management Committee is to review and make recommendations to the Board with respect to financial, reputational, and other issues and risks of the company. In particular, the Enterprise Risk Management Committee works to:

- review investment policies, strategies, transactions, and performance; and
- conduct an annual enterprise risk management review and assessment of proposed strategic plans and initiatives.
